THE VALUE OF ADVERTISING

Is governed by the quality of Designing, Printing and Engraving used

STAR QUALITY DESIGNING

Means a distinction—not the same as everybody else has used, but something different.

STAR QUALITY ENGRAVING

Means sharpness of color and printing depth. We etch all our cuts with the new Acid Blast Process, which means top-notch quality. We are the first engravers in Iowa to install an acid-blasting machine (imported direct to us from Berlin, Germany.)

STAR QUALITY PRINTING

Means superior quality at reasonable cost. We do complicated typesetting, color work, fine catalogs, and everything in good printing.

Star Engraving & Printing Company

Being a consolidation of the Star Engraving Co. and the Campbell & Russell Printing Co.
